 Historian/Scholar
 Other: Explain _____

NOTICE

WARNING CONCERNING COPYRIGHT RESTRICTIONS

The copyright law of the United States (Title 17, U.S. Code) governs the making of photocopies or other reproductions of copyrighted material. Under certain conditions specified by law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy or reproduction is not to be "used for any purpose other than private study, scholarship, or research." If a user makes a request for, or later uses, a photocopy or reproduction for purposes in excess of "fair use," that user may be liable for copyright infringement. This institution reserves the right to refuse to accept a copying order, if, in its judgement, fulfillment of the order would involve violation of copyright law.

I have read the above *NOTICE*, and I hereby request one copy of each of the items described below. These materials are for my exclusive use, for the sole purpose of research or study convenience. I understand that I am responsible for complying with the laws governing copyright and literary property rights.
