### CONDITIONS

1. Permission is for one time use only, as described on this form, with no other rights. Any subsequent use — including subsequent editions, paperback editions, foreign language editions, etc. — constitutes re-use and must be applied for in writing. An additional fee may be charged for re-use.
2. All reproductions must be credited to **Merrill G. Burlingame Special Collections** and use any specific credit line provided.
  - a. For photographs: with printed matter or electronic media, the photographer's name, when provided, must be included in the credit line. The credit line must appear with the item or on a credit page, indicating the page number and the location on the page, for each item. Crediting of each individual item is mandatory in all cases.
  - b. For archival materials: with printed matter, a descriptive title of the item and the date, the collection name and number, and the box number and folder number must be included in the credit line. The credit line must appear with the item or on a credit page, indicating the page number and the location on the page, for each item. Crediting of each individual item is mandatory in all cases.  
*Example: Letter, Feb. 1, 1926, A.V. Howard Narrative, Collection 431, Folder 1, Merrill G. Burlingame Special Collections.*
  - c. With films, Power Point presentations, and video productions, credit must appear with other credits at the beginning or the end of the production. Collection, box, and folder numbers may be omitted.
  - d. With display or exhibition, please credit each image within the display or exhibition area. Exemption from this requirement must be approved by the **Merrill G. Burlingame Special Collections**. Collection, box, and folder numbers may be omitted.
3. With CD-ROM or website/page use, images must be reproduced at a resolution of no more than 72dpi .
4. Usage fees are assessed according to type of use. Payment of this fee does not exempt the user from the credit line requirement. Usage fees will not be charged for reproductions used in the direct promotion of the book in which they are published. If a reproduction is used both inside the book and on the book jacket, however, use fees must be paid for both usages.
5. Accompanying captions must indicate all changes made to the original copy/manuscript, such as significant cropping, tinting, superimposing, digital alteration, editing, etc. Any changes require prior approval by **Special Collections** staff.
6. The user may not permit others to reproduce the item or a facsimile of it. Copies must be purchased from the **Merrill G. Burlingame Special Collections**.
7. The user may not reproduce the item in an advertisement, nor mass produce as unbound material, unless specifically authorized by the **Merrill G. Burlingame Special Collections**.
8. In authorizing the publication of an item, the **Merrill G. Burlingame Special Collections** does not surrender its own right to publish it, or to grant permission to others to do so.
9. All responsibility for possible copyright infringement and invasion of privacy arising from use of reproductions is assumed by the user.
10. User agrees to indemnify and hold harmless the **Merrill G. Special Collections**, its officers, employees, and agents from and against all claims made by any person asserting that he or she is an owner of copyright.
