Memorandum

To: A. L. "Gus" Hormay

From: Chief, Division of Range

Subject: Manuscript -- Rest-Rotation Grazing Training

You will recall discussions with Forest Service personnel and members of this staff at Albuquerque a year ago concerning the training manuscript you have written. It is my understanding the manuscript has been reviewed by and is acceptable to the Forest Service and this staff. The Forest Service has allocated funds for printing and dissemination of the text.

We know you are extremely busy and on the road most of the time. However, the importance of the training handbook requires that it be given high priority for its timely completion. Therefore, it is necessary to complete the training handbook and submit it to this office for printing by April 1.
Forest Supervisors - Ashley, Bridger, Cache, Bighorn, Fishlake, Humboldt, Manti-LaSal, Toiyabe, Uinta, and Wasatch F.P.'s

D. M. Gaufin, Assistant Regional Forester, WL

Training (Best-rotation Management of Bitterbrush and Other Browse Plants - Nevada)

Region 6 of the Forest Service and the Utah Fish and Game Division are co-sponsoring a 2-day training session on "Best-rotation Management of Bitterbrush and Other Browse Plants."

The course will be given by Mr. A. L. " Gus " Norrey, March 18-19, in the Utah Fish and Game Division auditorium, 1996 West North Temple, Salt Lake City, Utah.

Facilities will handle about two from each National Forest listed above. Would you please let us know as soon as possible what your plans are concerning this. We suggest attendance at least by wildlife staffmen and biologists who have not had the course.

The Division of Personnel Management has advised that this training will be covered by a manual supplement shortly.

D. M. Gaufin
February 7, 1969

Mr. R. B. Nielsen, State Director
Bureau of Land Management
P. O. Box 11505
Salt Lake City, Utah 84111

Dear Mr. Nielsen:

Thanks for your letter of February 5.

We will be happy to have six of your biologists attend the "Hormay" training session. The meetings will be held on March 18 and 19 in the Utah Fish and Game Division auditorium, 1596 West North Temple, Salt Lake City, Utah. We have discussed this with personnel of the Fish and Game Division.

This will provide an opportunity for our field people to become better acquainted and discuss mutual problems of wildlife habitat management.

Sincerely yours,

D. H. Gaufin

One Hervey Best Retention Training, January 30-31, 1969, Stardust Hotel, Idaho Falls

The Hervey Best Retention Management System Training was started at 8:00 A.M., January 30 and ended at 5:00 P.M., January 31, 1969 at the Stardust Hotel. There was an average of 30 people that attended both days. A few others came and left at various times. The regular membership consisted of ranchers, range managers from Federal Agencies, County Extension Agents and one person from the State Land Department.

Mr. Hervey presented the entire session through the use of charts and slides. I felt he did an excellent job of reducing his five day session to two days. Because of his full schedule of presenting the program, I took care of all arrangements for extra equipment, coffee breaks and luncheons. Coffee and soft drinks were served twice each day. Bentoos and snacks were added for the second day only. Approximately 30 persons were served a buffet luncheon each day.

Registration fees of $6.00 were collected from 19 people. A total of $114.00 was turned over to Mr. Jack Meir, Idaho Cattlemen's Association representative. Mr. Meir received the bill from the Stardust Hotel for the luncheons and coffee. A portion of the bill ($174.30) was paid by Mr. Meir and the balance requested from the Idaho Cattlemen's Association.

The course seemed to be very well received. There was extensive participation by everyone in the way of questions and answers. I was especially impressed with the favorable comments from the 14 ranchers that were present.

A list of the people that attended the session is attached.

Please forward the attached copies to:

Walt Randall, President, Idaho Section AEM
Lee Wades, Idaho Cattlemen's Association

Dear Gus:

This will confirm the telephone discussion between Mr. Pearson and yourself on February 19, 1969 concerning the Colorado State Advisory Board meeting on April 22, 23, 24, 1969. If possible for you to meet this scheduling, we would like to have you give your presentation to the State Multiple Use Advisory Board on April 23, 1969.

Also, we want to extend an invitation to you to attend the Wildlife meeting on Tuesday, April 22, 1969 and the regular meeting on Thursday, April 24, 1969.

We shall send you a copy of the agenda with time and meeting place as soon as the schedule of items is firm. We shall provide two projectors and screens, flip chart and various magic markers for you. Should you require additional items please contact the State RPM office.

It will be a pleasure having you in Colorado again and participating in the State advisory meeting.

Sincerely yours,

E. I. ROWLAND

February 27, 1969

Mr. A. L. Hormay
Forest Service Experiment Station
P. O. Box 245
Berkeley, California 94701

Dear "Gus":

Final arrangements have been made for the rest-rotation management of bitterbrush and other browse plants training in Salt Lake City, Utah, March 18-19, 1969.

There will be about 49 trainees, all of which are professional people of the Utah Fish and Game Division, Bureau of Land Management, and Forest Service. The training sessions will be held at the Utah Fish and Game Division's conference room, 1596 West North Temple. The training equipment and materials you requested will be in place and ready for use.

We have made reservations for you at the Holiday Inn, 1659 West North Temple, for March 17, 18, and 19. This is across the street from the State Fish and Game offices.

The plan is to begin the meeting March 18 at 9 a.m. The following day it may start at 8:30 a.m., or at your pleasure. Mr. Norman Hancock of the Fish and Game Division will be in charge of the sessions with the assistance of Mr. Homer Stapley, Fish and Game Division, and Mr. Floyd Noel, Forest Service.

We are looking forward to this opportunity to spend two days with you in training for management of browse ranges.

Sincerely yours,

D. M. GAUTFIN
Assistant Regional Forester
Division of Wildlife Management

by Floyd C. Noel

Memorandum

To: District Manager, Riverside

From: State Director

Subject: Allotment Management Plan Review Session
Riverside, April 7-11, 1969

The subject session tentatively was arranged for the above dates by telephone between your office and the State Office. These dates have been firmed up and the session is further detailed as follows:

Dates
Monday, April 7, 1969 - 1:00 pm to Friday noon April 11, 1969

Purpose
Informal review, both office and field of problems encountered in the design and implementation of Allotment Management Plans, the evaluation of AMPs, plus the evaluation of the Southcott Rest Rotation Pasture. For details see Travel Itinerary and Agenda. The session will be oriented to the desert type ranges.

Attendance
Riverside - Range Staff Specialists and Area Managers as designated by the District Manager.
Bakersfield - 2 to 4 Range Staff Specialists or Area Managers as designated by the District Manager.
Portland Service Center - 1 or 2 Range Management Specialists as instructors or discussion leaders.
State Office - Range Management Specialist.
Other - A.L. Hornay is invited to attend for evaluation of the Southcott lease and to participate generally.

A copy of this memorandum is being forwarded to the Director's Office. Any of the range staff who may be in the field during early April and desire to attend will be welcome.
One Range Staff member of the Las Vegas district is invited to attend.

Equipment & Supplies

a. Each participant should bring a note book and other materials for taking notes, etc.

b. So far as possible participants should have a copy of the following Manual Releases.

No. 4-24 - Allotment Management Plans 4112.14
No. 4-21 - Grazing Management Systems 4112.16
No. 4-20 - Management Studies 4410
No. 4-31 - Range Studies 4412.2
No. 4-19 - Allotment Evaluation 4413

c. Field clothes for 2 days.

d. Riverside will be responsible for field transportation and a meeting room. The District Conference room is preferable if it can be made available without much disruption in District operations. A blackboard and flip chart should be available for the meeting.

Reservations

For Monday night and any who may arrive Sunday make your reservations directly through the Riverside District Office. It will be appreciated if Riverside will make these in one Hotel reasonably close to the office.

Reservations for Tuesday night (Needles), Wednesday (Barstow) and Thursday (Riverside) will be made by the Riverside office after notification from the State office as to the number of participants. For this reason all parties planning to attend (except Riverside) should notify the State office (Attn: Don Dirrock) by no later than March 21st.

Advance Preparation

The Range Staff, Riverside will be responsible for the preparation of suitable brochures covering the C-X lease, Sawyer lease and Southcott lease. The brochure should include a small scale map and brief narrative description. Sufficient
data should be included in both so that participants will get a general picture of the lease and range operation as we travel through each area. Detail, in this respect will be worked out between the District Office and State Office.

The participants from the districts should familiarize themselves with the above named Manual Releases. You will be called upon to present those problems giving the most difficulty in AWP's, Grazing Systems and Evaluation.

Itinerary and Agenda

April 7 - Monday - 1:00 p.m. - 5:00 p.m. Riverside Conference Room

1:00 - 1:30 p.m. - Introduction, Agenda, etc. 
1:30 - 2:00 p.m. - Left Open for Visiting Dignitaries
2:00 - 2:30 p.m. - Service Center Developments
2:30 - 3:30 p.m. - Brief statement and discussion of Major Management Problems by State and District Offices (15 minutes for each office).
3:30 - 5:00 p.m. - Description and Statistics of the following leases:

Southcott total = 17,545 ac.
Rest Rotation 2 years
Riverside
District

O-X total = 405,400 ac.
Being studied for AWP
Office

Sawyer total = 250,000 ac.
Being studied for AWP

April 8 - Tuesday 7:00 a.m.

Leave the Riverside District Office for Southcott lease: requires 3-1/2 to 4 hours travel. Travel through this lease to observe and evaluate two years rest-rotation grazing, review stratification, key areas, etc. Also, examine South (lower) part of O-X lease. Spend the night in Needles.

April 9 - Wednesday

Examine O-X and Sawyer leases for most practical grazing management system, stratification, key species, key areas, etc. Spend the night in Barstow.
April 10 - Thursday

Travel to Riverside District Office 8:00 - 10:00 a.m.

10:00 - 11:00 a.m. - Evaluation of Southcott lease, Horney
11:00 - 12:00 a.m. - Stratification, Key Areas & Species PSC
1:00 - 4:30 p.m. - Crazing Systems, NPS and Range
                  studies discussion for C-Y and
                  Sawyer leases, PSC

April 11 - Friday

8:00 - 11:30 a.m. - Discussion of District Problems SC, PSC
                     in NIPS, Systems and Evaluation.
                     A more detailed review of the
                     problems described on Monday
                     afternoon

This session is designed to help the district personnel with
their Range Management problems. Attendance purposely is
being limited and the session kept informal to encourage
participation. Please come prepared to take part.

This may be one of the lush years for the desert, if the weather is at
all favorable we could have a very successful session.

REPLY TO: 6140 Performance, Training, Awards (2200)  

February 28, 1969

SUBJECT: Rest-Rotation Workshop

TO: Gus Hormay, Pacific Southwest Experiment Station  
1960 Addison Street, Berkely, California 94701

This will confirm Stan Wallace’s telephone conversation with you on February 13, relative to your conducting a rest-rotation workshop on the Apache National Forest, Springerville, Arizona, between August 15 and September 15, 1969. It is planned to have 30 to 35 trainees, comprised of Forest Service personnel and grazing permittees. Representatives from BLM will be invited.

Since the telephone conversation, the Lincoln National Forest has submitted a similar request for that area, during early August. If you can fit both workshops in these Forests into your schedule, it will be appreciated.

Please advise us if you will be available, and the dates you can be with us.

FRANK J. SMITH  
Assistant Regional Forester  
Range & Wildlife Management
