

Classroom Equipment
for
Rest-Rotation Grazing Management
Training Schools
Conducted by A. L. Hormay

<u>Number</u>	<u>Item</u>
2	35 mm. slide projectors, Kodak Carousel, with <u>Zoom lenses</u> if possible. Otherwise with standard lenses of the same focal length.
2	Extra light bulbs for projectors.
2	Projection screens. Same size and type. Size to fit room and suit viewers. Set screens high enough so people in back of the room can see over the heads of people in front.
2	Easels (sturdy) for 2' x 3' or larger size paper work sheets. These should be set high enough so people in back of the room can see the bottom of the sheets.
6	Pads of paper work sheets.
4 each	Black, red, and green felt-tipped ink scribers.
1	Pointer.
1	Loud-speaker setup with neck-supported portable microphone on at least a 12-foot cord.

Please set up all equipment and make sure it is in working order and suited to the room prior to the start of the school.
