TCLI 2011 Presentation Links

The website for the [Wikimedia's Wikipedia United States Policy Project \(USPP\)](#) which includes Prof. Kristin Ruppel's [Native American Studies NAS 530/426 Class Syllabus](#).

Here are three articles worked on by the students: [Winters v. United States](#), [United States v. Navajo Nation](#), and the [Native American Languages Act of 1990](#).

Wikipedia resources include: the [Wikipedia Portals](#) which have TCLI focused content such as: [Aboriginal Peoples in Canada](#) and [Indigenous Peoples of North America](#).

Some of Wikipedia's tools that

might be of interest to Librarians are: [Create-A-Book](#) (found in the left-hand navigation column) and "[How to Determine a Good Wikipedia Article](#)."

[Wikimedia's Outreach Projects](#) include a [wide variety of areas such as Wikipedia, Wiktionary, and Wikimedia Commons](#).

Finally, [Wikimedia's GLAM \(Galleries, Libraries, Archives, Museums\) Project](#) is another avenue of participation.
