

Adding Library Printers with Windows 10

- 1) Make sure you are connected to MSU Secure Network.
- 2) Click on the Start Menu
- 3) In the Search Box type "Run"

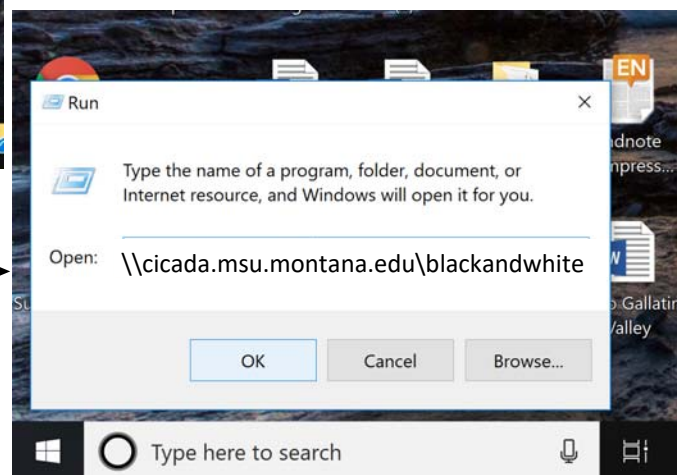

- 4) In the open box type one of the following:

\\cicada.msu.montana.edu\blackandwhite

or

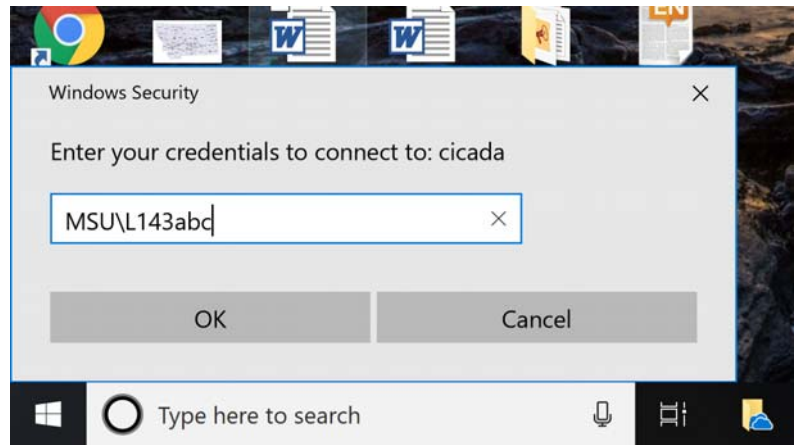

\\pss2\librarycolor

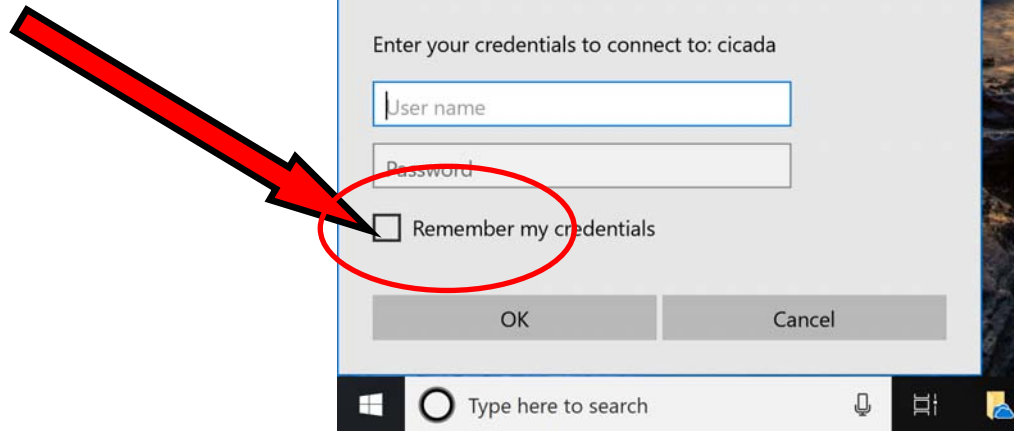

5) Enter MSU\ NetID username
& password

Username: MSU\your net ID

Password: *****

6) Check the Remember
my credentials box.

7) When a pop-up box appears you're FINISHED !

You may close this box, and the library printer will now show up in your printer list.
